CONSTITUTION

Adopted, April 19, 1887

Article I.

This Club shall be perpetual.

Article II.

This Constitution may be altered or amended by a two-thirds vote of the members present at two successive regular meetings; *provided*, however, that this article shall not apply to, or authorize any amendment, alteration, or repeal of Article I.

BY-LAWS

I.

NAME.

This Club is incorporated for social purposes, and its corporate name is the HARVARD CLUB OF NEW YORK CITY.

II.

OFFICERS.

The officers of the Club shall be a President, a Vice-President, a Secretary and a Treasurer. They shall be *ex-officio* members of the Board of Managers, and shall hold like offices in that Board. They shall be elected by ballot at the annual meeting of the Club in each year, and shall hold office for one year thereafter and until their successors are elected.

III.

PRESIDENT.

The President, and in his absence the Vice-President, shall preside at the meetings of the Club and of the Board of Managers. In the event of their absence,

a meeting of the Club or of the Board of Managers may elect its presiding officers. The President shall, with the Secretary, sign all written contracts and obligations of the Club, and shall perform such other duties as the Board of Managers or the Club may assign him.

IV.

TREASURER.

The Treasurer shall collect all entrance fees and all dues and shall keep the accounts of the Club, and report thereon at each regular meeting of the Board of Managers. His accounts shall be audited by the Auditing Committee semi-annually. He shall pay all bills on the certificate of their correctness by the House Committee. He shall notify persons elected to membership of their election.

V.

SECRETARY.

The Secretary shall give notice of all meetings of the Club and of the Board of Managers, and shall keep minutes of such meetings. He shall conduct the correspondence and keep the records of the Club and of the Board of Managers. He shall furnish to the Treasurer the names of all persons elected to membership, and shall be the keeper of the seal of the Club.

VI.

BOARD OF MANAGERS.

1. There shall be a Board of Managers to consist of nineteen members. They shall have general charge, management and control of the affairs, funds and property of the Club, and shall authorize and control all expenditures. They shall have full power, and it shall be their duty to carry out the purposes of the Club according to the law and as provided in these By-Laws.

2. Fifteen members with the President, Vice-President, Secretary and Treasurer of the Club shall constitute the Board of Managers. The fifteen members shall be divided into three classes of five each; the term of office of each class shall be three years.

At each annual meeting of the Club, five members to replace the class which has held the office longest shall be elected to the Board by ballot. In such elections a majority of the votes cast shall be necessary to elect. Vacancies which shall occur in any class shall be filled by the Board. No member of the outgoing class shall be eligible for re-election until one year has elapsed. This, however, shall not forbid his appointment by the Board to fill a vacancy.

3. Members of the Board shall hold office during the

term for which they are elected and until their successors are chosen.

4. The Board shall submit at each annual meeting a general report of the affairs of the Club, with an estimate for the ensuing year, which shall be printed and distributed to members three days before the annual meeting, and shall report at other times if required.

5. The Board shall meet once a month, except during the months of July and August. Special meetings may be called by order of the President or of three members of the Board. A majority of its members shall constitute a quorum of the Board.

6. An absence on the part of any member of the Board from three consecutive regular meetings thereof, without satisfactory reasons being given, shall be deemed a resignation therefrom.

7. In respect to all questions of construction of these By-Laws, the decision of the Board shall control and be finally binding.

8. The order of business at the meetings of the Board shall be:

I. Roll Call.
II. Reading of the Minutes.
III. Report of the House Committee.
IV. Report of the Secretary.
V. Report of the Treasurer.

VI. Report of the Committee on Literature and Art.
VII. Report of Standing Committees.
VIII. General Business.

VII.

MEETINGS.

1. There shall be monthly meetings of the Club on the second Saturday of February, March, April, May, October, November and December in each year.

2. The order of business at the monthly meetings shall be:

1. Reading of the Minutes.
2. Reports of Committees.
3. General Business.

3. There shall be an annual meeting of the Club on the third Saturday in May. The order of business at the annual meeting shall be the same as at monthly meetings, with the exception that after reports of committees the meeting shall proceed to the election of Officers and Members of the Board of Managers and Committee on Admissions. No member shall be eligible for election as an officer, or to the Board of Managers, or Committee on Admissions, in the Club, unless his name shall have been posted as a candidate in a conspicuous place in the Club House for at least ten days before the election.

4. The Board of Managers may, at any time, and upon the written request of twenty-five resident members of the Club, call a special meeting of the Club, which request, as also the notice of any special meeting, shall state the object for which the meeting is called. At a special meeting, no subject not so stated in the notice shall be considered.

5. Notices of annual and monthly meetings shall be posted in the rooms of the Club for at least ten days before said meeting.

6. Thirty resident members shall constitute a quorum at any meeting of the Club. But no amendment to the By-Laws shall be considered at any meeting at which less than fifty such members shall be present.

7. No person not a member of the Club shall be present at any business meeting of the Club.

VIII.

ANNUAL DINNER.

The Annual Dinner of the Club shall take place on the last Wednesday in January, or on the nearest practicable day.

IX.

COMMITTEE ON ADMISSIONS—ELECTION OF ITS MEMBERS.

1. There shall be a Committee on Admissions to con-

sist of twenty-one members. Not more than two persons, who shall have been members of the same class in any department of Harvard University, shall be members of this Committee at the same time.

2. The twenty-one members of this Committee shall be divided into three classes of seven each. The term of office of each class shall be three years, and until their successors are elected. The seven members to replace the outgoing class shall be elected in each year by the Club, by ballot, at its annual meeting. A majority of the votes cast at such elections shall be necessary to elect.

3. Vacancies which shall occur in any class shall be filled by the Committee.

4. The Committee shall have power to elect members after a list of candidates shall have been sent to each resident member of the Club at least ten days before the names are to be acted upon, and shall meet at least once a month, except during the months of July and August. Special meetings may be called by order of the Chairman or of seven members of the Committee.

5. No member of the Board of Managers shall be a member of this Committee.

6. No member of this Committee shall propose or second a candidate for membership.

7. The proceedings of this Committee shall be secret and confidential.

8. A majority of the votes cast shall be necessary to elect. Seven members shall constitute a quorum, and two negative votes shall be a rejection of a candidate.

9. The names of this Committee shall remain posted in a conspicuous place in the rooms of the Club.

10. An absence on the part of a member of this Committee from three consecutive regular meetings thereof, without satisfactory reasons being given, shall be deemed a resignation therefrom.

X.

NOMINATING COMMITTEE.

There shall be a Nominating Committee, consisting of five members, three of whom shall be elected by the Board of Managers at the February meeting of the Board; and at the March monthly meeting of the Club, the two remaining members of the Committee shall be elected by ballot, by a plurality vote. The names of all members of the Nominating Committee shall be posted in the rooms of the Club immediately after their election.

The Nominating Committee shall report at the April meeting of the Club the names of the candidates for office to be voted for at the next annual meeting.

The names of candidates so reported shall be forthwith posted in a like manner.

XI.

QUALIFICATIONS FOR MEMBERSHIP.

1. Any person who has received a degree from Harvard University, or who, being twenty-one years of age and upward, has been connected for at least one year with any department of Harvard University as a student in good standing, or as an instructor, shall be eligible to membership. But no student in any department of the University shall be eligible unless he shall have already received a degree from the University.

2. The President and all former Presidents of Harvard University shall be honorary members of the Club.

XII.

1. Before any candidate for membership in the Club shall be balloted upon, he must have been duly proposed by a member and seconded by one or more members, in manner as follows, and the following requirements must have been fully complied with:

The name, department of University, class, length of stay in the University, the nature of the candidacy —whether for resident or non-resident membership,— together with the occupation, residence and address of

*When proposing a candidate for membership, see also page 44.

the candidate, and the names of his proposer and seconder, or seconders, must have been entered, with the date of such entry, in a book provided by the Club for this purpose, which book must be kept in some open and accessible place in the Club rooms.

The signing of the proposer's name by the seconder, or *vice-versa*, or by any third person, shall not be deemed a compliance with the provisions of this article, except that the entry may be made by the Secretary of the Committee on Admissions acting on the written request of said proposer and seconder, or of either of them, in his own behalf.

2. After the above mentioned requirements shall have been fully complied with, the name of the candidate, his class in the University, and place of residence, together with the names of his proposer and seconder, shall be posted in a conspicuous place in the Club rooms at least two weeks before the meeting of the Committee on Admissions, and having been so posted for such a period, the name of the candidate shall come before the Committee on Admissions for action thereon at its next regular meeting.

3. Any member of the Club may become a life-member, upon payment of five hundred dollars, and any candidate for membership may be elected a life-member, upon payment of five hundred dollars and the entrance fee of ten dollars, provided the applicant in either case shall have been five years out

of the University, or, in the case of holders of honorary degrees, provided five years have elapsed since the conferring of the degree.

The number of life-members is limited to one hundred. Life-members shall have the rights and privileges, and be subject to all the penalties of membership, but shall be forever exempt from annual dues.

XIII.

NON-RESIDENT MEMBERS.

1. Persons eligible for membership under these By-Laws not residing or having a place of business in the city of New York, may be elected as non-resident members. They shall pay full entrance fees.

2. Any non-resident member who shall change his residence or place of business to the city of New York shall become a resident member, and shall forthwith notify the Treasurer in writing of such change.

3. No non-resident member shall be entitled to vote at any meeting of the Club, or to hold office in the Club.

4. Any resident member who removes his residence and place of business from the city of New York shall, on written notice of such removal to the Treasurer, become a non-resident member.

XIV.

ENTRANCE FEES.

1. The entrance fee shall be ten dollars.

2. Candidates elected shall become members of the Club only upon the payment by them of the entrance fee and of the dues for the current fiscal year; except that candidates elected after the first of March, in any year, shall pay only half the annual dues in addition to the entrance fee. The election of any candidate shall be void if he shall fail to pay such entrance fee and dues within sixty days after notice of his election is mailed addressed to him at the place given as his residence by his proposer.

XV.

INDEBTEDNESS TO THE CLUB.

I.—*Annual Dues.*

1. For the purpose of determining the annual dues of resident members of the Club, such members shall be divided into three classes, to wit:

(A) Members who have been out of the University two years or less, whose dues shall be ten dollars.

(B) Members who have been out of the University two years, but not over seven years, whose dues shall be thirty dollars.

(C) All other resident members, whose dues shall be forty dollars.

In construing this paragraph, the periods of two and seven years, respectively, shall be deemed to have elapsed at the end of the Club's fiscal year next preceding the expiration of the same.

The annual dues of non-resident members shall be fifteen dollars.

2. The fiscal year of the Club shall begin on the first day of May.

3. Dues shall be payable in advance on the first day of May in each year for the fiscal year then beginning.

4. Notice of dues shall be sent by the Treasurer to each member of the Club during the month of April in each year. If the dues of any member shall remain unpaid on the first day of the following August, the Treasurer shall cause him to be notified that unless the same shall be paid on or before the first day of the following September, his membership shall be liable to cease, and if such dues shall remain unpaid on the first day of such September, his name shall be reported to the Board of Managers at their next meeting and his membership shall cease by a vote of a majority of the Board. But such member may be restored to membership by the Board of Managers upon his presenting to the Board a satisfactory excuse and paying the dues for which he was in default at the time his membership ceased.

5. Resident members who intend to be absent from the country for one or more Club years may, on giving previous written notice to the Treasurer, pay non-resident dues only for the period of such absence.

II.—*Other Indebtedness.*

6. All accounts and debts other than annual dues to the Club from members shall be payable the first day of the month following that during which they are incurred.

7. Any member who shall fail for a period of two months to pay his indebtedness to the Club (other than annual dues) incurred by him or by any person using the Club on his invitation, may be suspended or expelled by the Board of Managers at any regular or special meeting, by a vote of a majority of all the members of the Board. But such member may be reinstated in the discretion of the Board of Managers.

XVI.

RESIGNATIONS.

Resignations of membership shall be made to the Secretary in writing. No resignation shall be accepted unless all the indebtedness to the Club of the member resigning shall have been paid.

XVII.

SUSPENSION OR EXPULSION.

Any member may be suspended or expelled for cause, at a regular or special meeting of the Board of Managers, by a vote of three-fourths of the members of the Board present at the meeting, provided, however, that no member shall be suspended or expelled pursuant to this article unless a majority of all the members of the Board of Managers vote in favor of such suspension or expulsion; one month's previous notice in writing having been given to the member with a copy of the charges preferred against him.

XVIII.

GAMBLING.

No betting or card playing for stakes shall be allowed in the Club rooms.

XIX.

RULES.

The Board of Managers shall prepare and enforce rules regulating the use of the Club House by the members. The Board shall also prescribe rules for the admission of strangers to the privileges of the Club.

XX.

APPOINTMENT OF HOUSE AND AUDITING COMMITTEES.

The Board of Managers shall appoint, from its own members, or from the Club at large, a House Committee and an Auditing Committee, each to be a Standing Committee, for the current official year.

XXI.

HOUSE COMMITTEE.

The House Committee, subject to the direction and control of the Board of Managers, shall have charge of the Club House. They shall appoint and remove employees, receive the complaints of the members, and report upon them to the Board of Managers. They shall, from time to time, procure such articles as may be necessary for the use or convenience of members, but they shall incur no indebtedness except such as shall be authorized by the Board of Managers.

XXII.

AUDITING COMMITTEE.

The Auditing Committee shall audit the accounts of the Treasurer semi-annually, and report to the Board

of Managers the accounts audited and allowed since their previous report. They may also act as a Finance Committee, with such duties and powers as the Board of Managers may prescribe.

XXIII.

RULES OF COUNCIL AND COMMITTEE ON ADMISSIONS.

The Board of Managers and Committee on Admissions shall each have power to make rules for its government, and to prescribe and enforce penalties for the violation of such rules.

XXIV.

COMMITTEE ON LITERATURE AND ART.

The Board of Managers shall appoint a Committee on Literature and Art. This Committee, under direction of the Board of Managers, shall have charge of the Reading Room, and of all books, papers and works of art belonging to the Club, and shall have power to solicit and receive donations, and to select and purchase all books, periodicals and works of art for the Club. They shall incur no indebtedness except such as shall be authorized by the Board of Managers.

XXV.

NOTICE TO MEMBERS.

Any member may enter in a book, to be kept at the

Club House, a mail address to which notices to be sent to him under the By-Laws or Rules shall be directed.

In default of such entry, such notices shall be served by mailing them addressed to him at the place given as his residence by his proposer.

XXVI.

AMENDMENTS.

These By-Laws may be amended at any regular meeting of the Club by a vote of two-thirds of the members present. Notices of proposed amendments shall be furnished to the Secretary and posted in the Club rooms at least twenty days before the meeting at which it is proposed to consider them, and the Secretary shall cause such notices to be printed, and sent to each member at least ten days before such meeting.

XIII.

All requests and complaints shall be made in writing, signed, addressed to the House Committee and deposited in the locked box provided for that purpose.

XIV.

Dogs shall not be allowed in the Club House.

RULES

FOR THE ADMISSION OF VISITORS TO THE PRIVILEGES OF THE CLUB

I.

Any person not residing or having a place of business in the city of New York may, on introduction by a member, enjoy the privileges of the Club for a period not exceeding two weeks, provided, however, that no person shall be introduced under this rule more than once in three months.

Any person residing or having a place of business in the city of New York may, on invitation by a member, enter the Club as a visitor with such member and pass any part of the day or evening in the Club in company with him.

No member shall have more than two such guests at any one time.

II.

Presidents and Professors in Colleges or Universities not in the city of New York, strangers of distinction and distinguished Americans residing abroad, may be admitted to the privileges of the Club, for not more

than two weeks, upon the invitation of the House Committee.

III.

The Board of Managers shall have the power to admit persons to the privileges of the Club for such period as they may prescribe, subject to the power of the Board to withdraw such privilege at any time in their discretion.

IV.

The name and residence of each visitor introduced under any of these rules, with the name of the member introducing him, and the date of the introduction, shall, at the time of introduction, be entered in a book provided for that purpose.

Admission to the Club, except to the private dining rooms, is restricted to members and visitors introduced under these rules, and persons having business connected with the Club.

V.

Visitors shall not give entertainments in the Club. They shall not be present at any meetings of the Club.

VI.

The privileges of any visitor under these Rules, except Rule III, may be terminated at any time in the discretion of the House Committee.

RULES

OF THE

COMMITTEE ON ADMISSIONS

Adopted May 3, 1907.

I.

A candidate for resident membership in the Harvard Club must be personally known to at least two members of the Committee on Admissions, and his name can be acted upon only at a meeting at which one of such members is present.

A candidate for non-resident membership, or his proposer or seconder, must be personally known to at least one member of the Committee present at such meeting.

II.

The Committee will not pass favorably upon the name of any candidate until letters of recommendation have been received in his behalf from both his proposer and seconder. Letters from other members of the Club are also in all cases desirable.

The letter of the proposer must contain the following information concerning the candidate:

1. His name in full.
2. Whether or not he is of the age of 21.

3. The department or departments of the University with which connected, and the capacity in which so connected (i. e., as a student, special or regular, as an instructor, etc.).

4. His class.

5. His degree or degrees from the University (if any) and the year or years of receiving the same.

6. The length of his connection with and the date of his leaving the University; in the case of candidates connected with the University for less than two years, the exact dates of entering and leaving.

7. The nature of his candidacy, whether resident or non-resident.

8. The occupation or profession of the candidate.

9. His residence and business address.

10. The length of time the writer has known him.

The proposer and seconder should also vouch for the candidate, stating such additional facts bearing on his qualifications for membership as may be deemed helpful to the Committee.

III.

Prior to the meeting at which the name of a candidate is for the first time to come before the Committee, the Secretary of the Committee shall send notices to the proposer and the seconder of the candidate stating that their names appear as such proposer and seconder and informing them of the date of such meeting.

IV.

If the requirements of Rules I and II shall not have been complied with at the first meeting at which the name of a candidate shall come before the Committee, or in case further information concerning the candidate, or additional letters, shall be desired by the Committee, the Secretary of the Committee shall notify the proposer and the seconder of such fact or facts, and of the date of the next meeting at which the name of the candidate will again come before the Committee.

If such default shall not have been remedied, or if such further information or additional letters shall not have been received, at such next meeting of the Committee, the name of the candidate may, in the discretion of the Committee, be deemed to have been withdrawn and be dropped from the list of candidates, either at such meeting or at any subsequent meeting.

The Committee also calls attention to the By-Laws of the Club numbered XI, XII and XIII, and to the Resolution of the Club, adopted November 10, 1888, and reading:

"Members are requested under no circumstances to propose candidates for admission without first having obtained the consent of the person proposed."

LIBRARY

The Committee on Literature and Art reports that the number of books and pamphlets in the Library is 10,415, an increase during the year of 260. Of these, 181 have been presented to the Club, 67 have been purchased from general funds and 41 from the Nelson Fairchild Fund, including complete sets of the works of Mark Twain in 25 volumes, and of George Meredith in 16 volumes. George Henry Sargent, '53, has presented a set of the *Arabian Nights*, translated by John Payne, in 15 volumes.

A portrait of the Reverend Dr. Henry Whitney Bellows, '32, President of the Club in 1869, has been presented by members of the Club and has been hung in Harvard Hall. This is a copy of a portrait painted by Daniel Huntington, now owned by the Union League Club.

Mr. John C. Montgomery has presented to the Club a plaster cast of the late Professor Nathaniel Southgate Shaler, '62, by Robert I. Aitken. An original engraved copper plate of a portrait of Professor Shaler has also been presented by Robert L. Gerry, '00, and Peter G. Gerry, '01.

Lady Cheylesmore, a daughter of Francis O. French, President of the Club from 1888 to 1890, has presented a water-color drawing of Harvard House of Stratford-on-Avon.

Mrs. Jacob Wendell, Jr., has loaned to the Club a portrait of the late Jacob Wendell, Jr., '91.

The Club has received many other gifts, including pictures, trophies and engravings, presented by members of the Club and by others.

There have been added to the subscription list of periodicals, the following: *London Weekly Times*, *Metropolitan Magazine*, *Puck*, and *World's Work*. The Club now subscribes to 68 periodicals. New leather covers have been provided for the magazines.

The location marks of the books in the Reading Room are being changed and noted in the Catalogue cards. The refurnishing of the Reading Room, along with its elaborate reconstruction and embellishment, adds very much to the comfort and pleasure of readers in the Club.
